ABOUT

Meet Arthana

Arthana is a Kamloops-based artist with 6 years of artistic experience, painting weddings live across British Columbia, from Kamloops and the Okanagan to the Fraser Valley. She sets up her easel at the ceremony or reception, paints a real moment of the day live for 5 to 6 hours, then finishes the piece in her studio. Guests love watching the painting come to life, and the couple receives a hand-painted heirloom, delivered ready to hang.
